Professor Hooke,

Victoria College.

Dear Professor Hooke:

I am very glad to be able to announce to you that a special collection was taken up at the service in Convocation Hall on Sunday, January 28th, in behalf of the Christian Student Movement of Great Britain and that it amounted to $225.00.

You told me that you would undertake to forward the amount to the Secretary-Treasurer in England, and Mr. Fernis has it at your disposal.

On writing will you be kind enough to say that we send this as a mark of our sympathy with Britain at this time and as an evidence of our solidarity?

Yours sincerely,

President.

Dear President Falconer,

I think the two accompanying papers will give the necessary information. I am sure any gift from this University will carry a moral encouragement & cheer above all monetary value, & I shall esteem it a very great privilege to be allowed to transmit it.

Believe me,

Yours very Sincerely,

S. H. Hooke.
